Other

- [OH SHINT! Blog](#)
Yep, it's an OSINT blog. This is where you are now.
- [MonologueDB](#)
Online collection of monologues from movies, TV shows, plays and more. Includes transcripts and video clips.
- [What Tree Is That?](#)
An interactive tool that helps identify a certain type of tree by asking a few questions.
- [eBird](#)
A database of birds. Offers an interactive map of bird species, searchable database of sounds and photos, hotspot maps and more.
- [FakeSpot](#)
Spot and avoid shady sellers, products with dishonest reviews and scam websites for free. Available as a website, Android and iOS application, Firefox add-on and as a Google Chrome extension.
- [Six Degrees of Wikipedia](#)
Interesting tool that shows you a graph of the shortest paths from one Wikipedia topic to another. Mostly useless, but still worth mentioning.
- [WikiLess](#)
A privacy focused alternative to Wikipedia. Basically Wikipedia without all of the invasive tracking.
- [Barcode Reader](#)
A free online tool that allows you to scan barcodes and QR codes.
